IRISH YOUTH FOUNDATION

CHAIRPERSON'S REPORT

I am pleased to present the annual report of the Irish Youth Foundation ("IYF"). This report has been prepared in line with the Statement of Recommended Practice for Charities (the Charity SORP).

This year, despite the significant challenges facing all charities due to the Covid-19 pandemic we were delighted to attract new funding partnerships with William Fry and Elvery's. We also consolidated partnerships with existing corporate supporters; Vhi, Applegreen and Glandore.

The IYF finances were enhanced by a significant multiyear philanthropic donation along with continued support of the JP McManus Benevolent Fund despite the cancellation of the Sports Awards.

In a difficult year for many we were also extremely grateful for the continued support from, Smurfit Kappa Foundation, Brennan's, Linesight and Amarach Research.

We would like to thank all our corporate supporters and philanthropic donors for their continued support during the Covid-19 pandemic. 2020 will long be remembered as a year of extreme hardship for the children and young people the Irish Youth Foundation exist to support.

While 2020 saw the demise of all the IYF's traditional fundraising events, it was a year where the charity still managed to broadly sustain its income. Our overall income decreased from €1,030,555 in 2019 to €871,696 in 2020.

In 2020 we launched an ambitious and dynamic 5-year strategic plan the aim of which is to close the dangerous gulf between poverty and opportunity for our most vulnerable children and young people. This shift in the strategy and a concerted effort by the Board resulted in a threefold return on spend. The impact of the new strategy meant that charitable activity and grant making dramatically increased in a year where the need was at an all-time high. In 2019, the charity granted out €246,593 and in 2020 it provided grants to the total of €689,639.

The strategy centres around three focus areas for change which tackle the greatest challenges children and young people from marginalised communities face on a daily basis:

- educational disadvantage.
- mental health challenges.
- barriers to meaningful employment opportunities.

Our strategic investments across these three focus areas will break down the persistent barriers children and young people face and replace them with life enhancing, confidence building, career boosting supports. One important element of the strategy was the development and launch in May 2020 of the Generation Pandemic Recovery Fund. This Fund was conceived in response to the fallout of Covid-19 and its objective is to respond to the educational, mental health and employment crisis facing children and young people from marginalized communities in Ireland.

Fundraising for the Generation Pandemic Recovery Fund commenced in Quarter 4 of 2019. It took the latter part of 2019 and the first 9 months of 2020 to generate a fund of €500,000. I am delighted to report that the entirety of this Fund has been committed in the form of grants across 21 youth projects each addressing one of the three focus areas for change.

The grants vary in size and fall under three categories;

- Grassroots Grants - up to €5k.
- Promising Programmes Grants - up to €20k.
- Growth Fund Grants – up to €50k with potential of multi-year.

Over 14,000 children and young people have benefitted directly from grants from the Generation Pandemic Fund.

It is important to note that the generation and distribution of a fund of this size spans a two-year period. Much of the fundraising took place in Quarter 3 and 4 of 2019 and Quarter 1 and 2 of 2020. It is anticipated that this strategy of a two-year fundraising and funding cycle will follow for 2021 and 2022.

IRISH YOUTH FOUNDATION

CHAIRPERSON'S REPORT (CONTINUED)

In addition to the Generation Pandemic Recovery Fund, in 2020 the IYF also supported 11 youth projects and programmes, directly benefitting an additional 6,870 children and young people throughout the island of Ireland. This is thanks to Vhi who, in partnership with the IYF, created a Mental Health Fund of €85,000 which was launched by GAA star Philly McMahon in September 2020. This fund was designed specifically to meet the mental health needs of children and young people in the six locations where Vhi have offices in Ireland. The indirect impact numbers of this fund are expected to be approximately 120,000 (e.g. the family of a young person who has been supported by this fund).

Maths Whizz, our partnership Linesight and Camara Education, entered its third year in 2020 and we are delighted that we were able to help 320 children in four locations to receive one to one help with numeracy skills.

Maths Whizz, our partnership Linesight and Camara Education, entered its third year in 2020 and we are delighted that we were able to help 320 children in four locations to receive one to one help with numeracy skills.

In addition, ensuring that the Irish Youth Foundation is governed well is of great importance to the Board, the staff, the youth projects we support, as well as the companies and individuals who donate their money to fund our work. I would like to thank my colleagues on the Board for their generous commitment and dedication in attending and participating in board meetings and making individual contributions to promote and provide excellent governance of the organisation. I would also like to thank the staff of the Irish Youth Foundation which is made up of a team of three dedicated individuals.

So much of what has been achieved over the last 12 months would not have been possible without the generosity of companies and individuals who have provided their pro bono services and assistance." Glandore, William Fry Solicitors, and Amarach Research all deserve our sincere gratitude.

Sincere thanks also to Pdraig Harrington and all the sports and cultural personalities who took part in the World Children's Day post a selfie campaign.

Finally, I would like to salute everyone involved in and associated with the Irish Youth Foundation for their ongoing support and encouragement. We are very grateful for your support and kindness.

CATHAL QUIGLEY – CHAIRPERSON

Date: 29 November 2021

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT

The directors present their annual report on the affairs of the Foundation, together with the financial statements and auditor's report for the financial year ended 31 December 2020.

LEGAL STATUS

Irish Youth Foundation is a company limited by guarantee. The Foundation has been granted charitable status by the Revenue Commissioners.

The directors of the charitable company (the Foundation) are its trustees for the purposes of charity law.

The Constitution which stipulates a fixed term for board members, unless they are requested to serve an additional term. In 2020, the composition of the board has continued to be refreshed and renewed. It has been agreed that on appointment, directors will receive briefing and comprehensive documents designed to familiarise them with the foundation's operations, management and governance and to be compliant with SORP FRS102. The liability of the members is limited.

Every member of the Foundation undertakes to contribute to the assets of the company in the event of its being wound up while he/she is a member, or within one year afterwards for payment of the debts and liabilities of the Foundation incurred before he/she ceases to be a member and the costs, charges and expenses of winding up and for the adjustment of the rights of the contributories amongst themselves such amount of €1.24.

With regards to the main objectives these are:

1. The making of such monetary grants as the Foundation may from time to time determine for the purpose of providing and organising a centre for educational training and research into youth development.
2. The making of grants to projects or programmes proposed by the National Federation of Youth Clubs and other youth groups or organisations to promote: -
 - i. A better understanding of the needs of young people;
 - ii. Opportunities for young people to develop responsibility through a variety of out of school cultural and educational activities;
 - iii. Youth exchange programmes of a cultural educational and research nature;
 - iv. Debate at all levels on issues affecting young people; and
 - v. Through out of school educational and developmental programmes a critical awareness among young people.
3. The making of monetary grants as the Foundation may from time to time determine to the National Federation of Youth Clubs and other youth projects and programmes and/or youth organisations for the purpose of developing, improving or constructing a new facilities and amenities in those communities throughout Ireland which out of school educational activities beneficial to youth development can effectively occur.
4. The promotion of education by the research and development of curriculae for out of school educational programmes of Youth Clubs and other youth projects and groups.

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT (CONTINUED)

VISION

An Ireland where all children and young people have the opportunity to achieve their potential. We believe that achievement starts with opportunity and the Irish Youth Foundation can help to uncover that opportunity for young people.

MISSION STATEMENT

To financially support projects and programmes of excellence that open up opportunities to vulnerable children and young people under 3 pillars of activity

- Educational Attainment – supporting positive transitions through school from primary to secondary school and/or completion of secondary cycle.
- Health and Wellbeing– supporting healthy transitions from childhood through to adulthood (social, physical and mental health resilience).
- Skills and Employment – supporting successful transitions for young people to economic independence.

GUIDING PRINCIPLES

The Board and Staff of the Foundation commit to the following principles:

- i. Belief in the potential of children and young people.
- ii. Promoting partnerships; locally regionally, nationally and internationally.
- iii. Encourage donor participation.
- iv. Foster the promotion of innovation.
- v. Allow young people to have a voice.
- vi. Adopt the highest standards in governance, transparency and accountability.
- vii. Provide practical support and funding where it is needed the most.

HOW WE MAKE A DIFFERENCE

IYF is unique. No other organisation does what we do in the way we do it. We have one singular and passionate driving vision – that all children and young people in Ireland, especially the most excluded, should have the necessary supports to break out of poverty and achieve their full potential. We raise funds through building relationships with individuals and businesses who want to shape a more inclusive fairer Ireland and we also raise revenues through fundraising events and other campaigns. We then distribute these funds through carefully targeted grant making activities, to effective impactful organisations, projects and programmes that address and reverse the damage caused by poverty, educational disadvantage and social exclusion.

Since 1985 the IYF has raised over €22 million and supported 2000 projects on the island of Ireland, reaching 50,000 young people directly.

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT (CONTINUED)

FUNDRAISING

The IYF receives no financial support from Government. Up until 2019 and the Covid-19 Restrictions the IYF relied on fundraising events and activities throughout the year (e.g. Excellence in Sports Awards, Bloomsday Bike Rally, Children's Hour, Paris2Nice Cycle etc.) to generate income. We relied on the generosity of individuals and companies for support at these events.

2020 saw the demise of these traditional fundraising channels. However, it was year where the charity sustained a healthy fundraised income. The Foundation has a number of loyal corporate and philanthropic supporters and through a concerted effort in 2020 the Foundation grew its numbers of corporate supporters and individual donors.

It was a year where a shift in the strategy and a concerted effort by the Board resulted in a threefold return on spend. The impact of this was that charitable activity and grant making dramatically increased in a year where the need of our beneficiaries was at an all-time high.

In 2019 the charity granted out €245,000. In 2020 it provided grants to the total of €689,639.

IYF STRATEGIC PLAN 2020-2025

Introduction

At the outset of 2020 The Irish Youth Foundation embarked on a new period of its existence, after nearly 35 years in operation and a successful €20m+ in distributed funds to projects throughout the country. From 2020 to 2025, the key internal focus is to;

(a) develop key donor relationships and partnerships to ensure the organisation's sustainability and reduce reliance on events and campaigns; and on

(b) developing monitoring and evaluation systems for the Foundation, to ensure effective impact reporting and, finally,

(c) in terms of fund allocation and distribution, funds will be distributed according to 3 strategic objectives to youth organisations throughout the island of the Republic of Ireland. Careful guidance on evaluation, reporting and fundraising will be part of the grantee relationship.

This new and exciting direction for IYF, has after 12 months made us a more effective as a funder and more impactful as an organisation dedicated to improving the lives of young people across Ireland.

STRATEGIC PLAN 2020-2025 (CONTINUED)

Strategic Goals of the Foundation

Goal 1: Diversify fundraising

- To develop a robust fundraising plan for the Foundation to ensure its sustainability now and in future.
- To diversify the fundraising mix in order to be less reliant on events and campaigns.

Goal 2: Develop key relationships

- To focus heavily in the next 5 years on developing strong and meaningful donor relationships, with philanthropists, corporates and others.
- To make donor care and donor retention a priority.

Goal 3: Ensure Good Governance

- To focus on ensuring good governance, excellent impact reporting, accountability and transparency.

Goal 4: Strategic fund distribution

- To focus fund distribution over the next five years into 3 key areas, ensuring all projects align with strategy.
- To make impact reporting, data collection, and analysis a priority for grantees and Foundation.

Objectives for Fund Distribution

The IYF commits to trying to meet the following objectives during the period 2020-2025 in relation to how it will distribute and use funds:

Focus Area for Change 1: Education

Successfully negotiate the major shift from primary to post primary – and to strengthen their engagement right through secondary school.

- To significantly increase the numbers of students transitioning from primary to secondary school by 2,000 by 2025.
- To increase by 5,000 by 2025 the number of young people completing secondary school.

Our Education Funding will reach at least 7,000 children and young people over the next 5 years.

STRATEGIC PLAN 2020-2025 (CONTINUED)

Focus Area for Change 2: Health, Wellbeing and Skills

Ensuring happy, healthy, resilient transitions from childhood through adolescence and young adulthood.

- To promote good mental and physical health and wellbeing; and build the resilience, self-esteem, leadership skills and confidence of young people through mentoring, one to one counselling, group work, sports, the arts and other activities.

Our health and wellbeing funding will reach at least 8,000 children and young people by 2025.

Focus Area for Change 3: Long Term Employability:

Positive pathways to work or further education or training for young people neither earning or learning.

- Support 2,000 young people to gain meaningful employment by 2020.
- To support 2,000 young people, gain access to mentorship or skills based training programmes by 2025.

Our Employment funding will reach at least 4,000 young people by 2025

STRATEGIC REVIEW OF THE FINANCIAL YEAR AND FUTURE DEVELOPMENT

Our focus for 2020 was to continue the trend of increasing our fundraised income levels while simultaneously keeping administration costs to a minimum, and ensuring that our grants were invested in charitable projects which addressed the areas of greatest need among young people in Ireland.

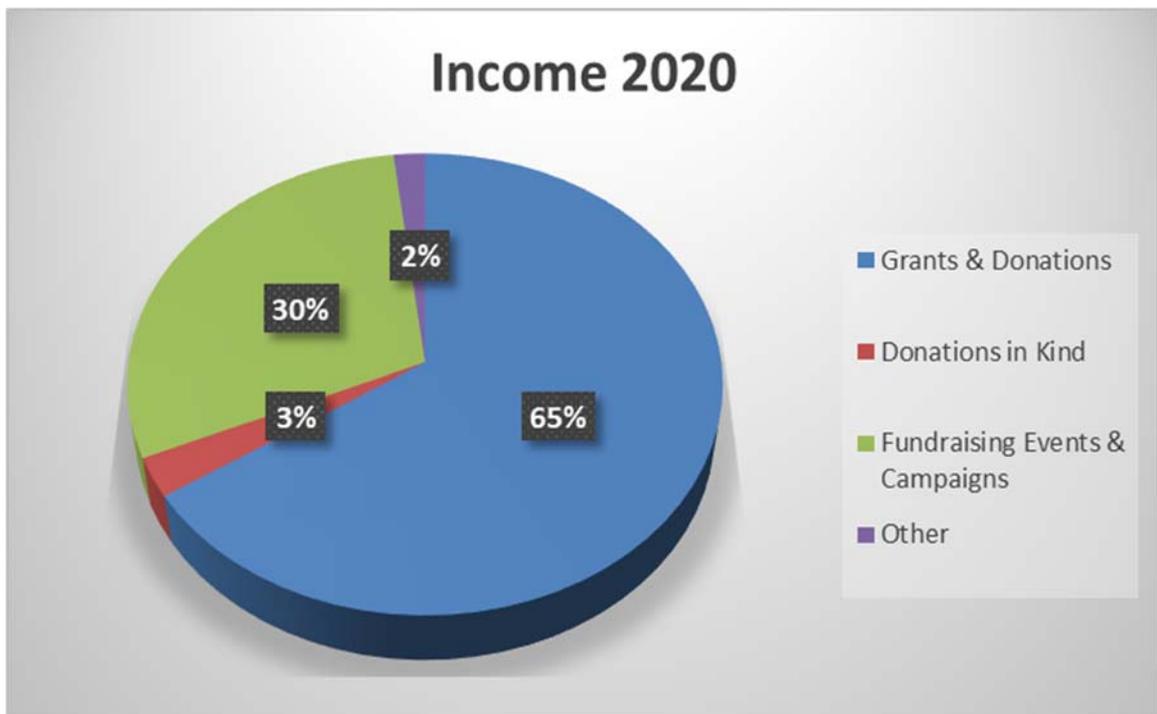

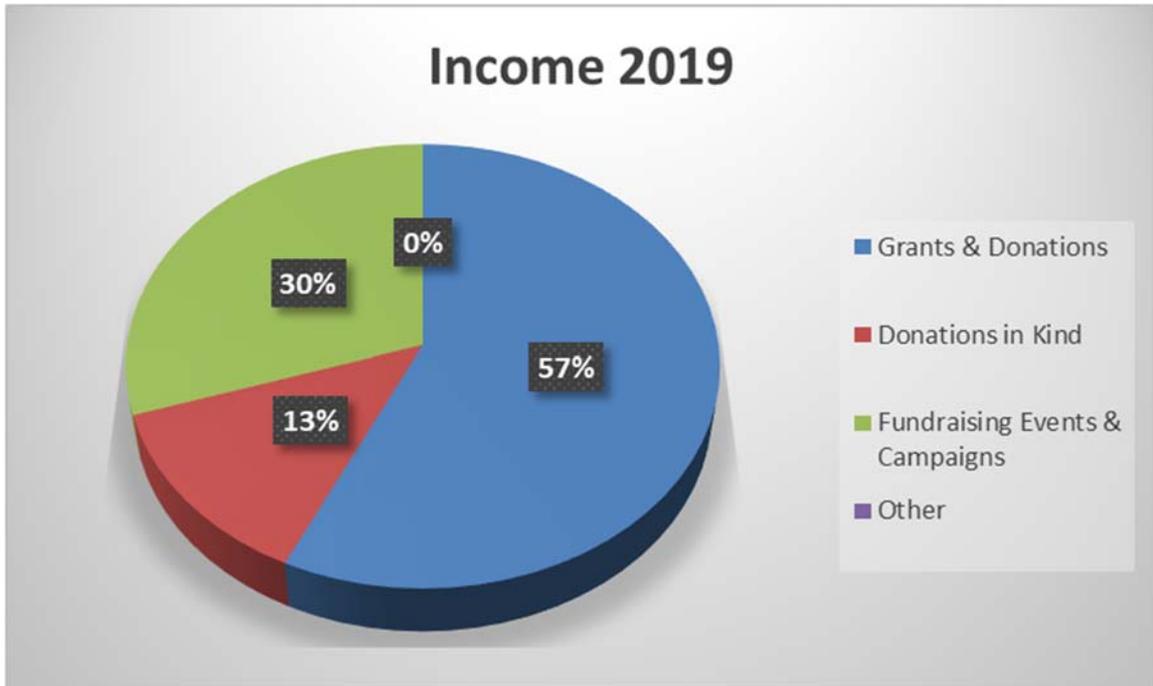

Key Objectives and Achievements were:

Objective: To consolidate our current and new donor support and to further grow our current fundraising activities, including the high profile 'pillar events' and the newer participatory challenge events.

Achievement: 2020 saw the demise of traditional fundraising events. This resulted in a 15% reduction in fundraised income. This is a strong result given such uncertainty in the charity and broader economic landscape. A result that has allowed the organization to further its strategic goals in terms of grant aid.

Throughout the year there was a shift in strategy and concerted effort by the Board to meet the fundraising challenges faced by the charity. This effort resulted in a threefold return on spend. The cost of raising funds in 2019 was €306,767, in 2020 it figure was €90,329. This reflects the lower cost fundraising strategy undertaken in 2020 i.e. Digital fundraising in 2020 versus face to face events in 2019.

STRATEGIC REVIEW OF THE FINANCIAL YEAR AND FUTURE DEVELOPMENT (CONTINUED)

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT (CONTINUED)

STRATEGIC REVIEW OF THE FINANCIAL YEAR AND FUTURE DEVELOPMENT (CONTINUED)

Objective: To further strengthen the role and profile of Irish Youth Foundation through increased spend on grants and programmes which meet the aims of IYF.

Achievement: 2020 saw an investment of €908,690, (2019: €362,563) in charitable activity and grants awarded, an increase of €538,112 on the previous year.

In 2020 the charity committed €689,639 through the following channels:

IYF Generation Pandemic Recovery Fund:

This fund was designed by the IYF to break down the destructive and persistent barriers our most at risk children and young people face as they emerge from the pandemic, and to replace them with life-enhancing, confidence boosting, career boosting supports.

€500,000 was raised and distributed to 21 critical youth services positively impacting 14,246 children and young people across Ireland.

These organisations ranged from grassroots homework clubs to youth projects and national charities.

Of the 21 projects funded:

- 9 were under the Education Focus Area for Change
- 7 were under the Mental Health Focus Area for Change
- 5 were under the Skills and Employability Focus Area for Change

Vhi Mental Health Fund

Vhi and IYF strengthened their charity partnership in 2020.

Vhi made a commitment of a Fund of €85,000 that fell under the Mental Health Focus Area for Change. The fund was distributed to 11 projects across the six counties where Vhi have offices, impacting 6,870 young people so far. Project work is still ongoing with this fund (some delays due to Covid-19) and we expect the direct impact numbers to reach 7,500 young people. Indirect impact numbers are expected to be approximately 120,000 people. The key focus of this Fund was to support young people (aged 12-19 years) experiencing anxiety to better understand their experience and strengthen their resilience. This emphasis on early intervention and prevention work was decided on after consultation with a panel of youth mental health experts. Dr Pat Gilligan, CEO of St Patrick's Mental Health Services, shared research which confirmed that, apart from 1:1 counselling, the two most impactful ways to support young people experiencing anxiety are;

1. To teach them a new skill to help manage their anxiety
2. To increase their knowledge base as to what is anxiety

These became the two key impact measurement metrics for this Fund and the feedback from the projects has been overwhelmingly positive as to the impact of this support.

Objective: To build on the strategy of attracting funds through targeted corporate donations and large company foundations and trusts, and to increase these.

STRATEGIC REVIEW OF THE FINANCIAL YEAR AND FUTURE DEVELOPMENT (CONTINUED)

Achievement: This year, despite the significant challenges facing all charities due to the Covid-19 pandemic we were delighted to attract new funding partnerships as well as consolidating partnerships with existing corporate supporters. Notable support includes the following;

- We were delighted to continue a 4-year commitment and partnership from a philanthropic family Foundation to the value of €150,000.
- Despite the Sports Awards cancellation due to Covid-19 restrictions we were extremely appreciative for the ongoing generosity from the JP McManus Benevolent Fund.
- We secured a charity partnership with William Fry solicitors to the value of €60,000 over 3 years. This partnership will fund the Skills and Employability Focus Area for Change.
- Vhi made a significant investment in their charity partnership with the IYF through the introduction of a Mental Health Fund to the value of €85k for 2020.
- We secured a charity partnership with Elvery's Sports where they committed to donation €5 with every Six Nations rugby jersey sold. This raised €45,000 for the Health and Wellbeing Focus area for change.
- Our long-standing corporate partner Glandore who provide pro bono office space for the charity also hosted for the first time a corporate Golf day in support of the IYF where €5,000 was raised.
- We received a generous corporate donation of support from Gowan Group. We hope to strengthen that relationship in 2021.
- In a difficult year for many we were also delighted with continued support from, Smurfit Kappa Foundation, Applegreen, Brennans, and Linesight, Coopman Search and Selection, Amarach Research.

Objective: To ensure a sustainable future for the YouthBank Programme by transitioning YouthBank into its next phase of development to ensure it continues to grow and deliver quality and consistent service to the young people it serves.

Achievement: As a result, a series of practical recommendations from external evaluation and Deloitte consultancy in 2016 we commenced the transition of YouthBank into its next phase of development to ensure it continues to grow and deliver quality and consistent service to the young people it serves. The transition of YouthBank from IYF to YouthWork Ireland was completed successfully in 2019. However, in 2020, due to the Covid restrictions Youth Work Ireland decided to withdraw support for YouthBank which in effect meant its demise. IYF honoured its commitment to redundancy for the 1 staff member.

Objective: Develop new strategic and supporting fundraising plan.

Achievement: The Board and executive undertook extensive research and invested significant time to the development of an ambitious and focused five-year strategic plan. This plan was developed in consultation with the youth sector, and also reflects government strategy set out in Brighter Outcomes Better Futures. The development of this plan was also informed by up to date pro bono research from Amarach Research to whom we are extremely grateful.

STRATEGIC REVIEW OF THE FINANCIAL YEAR AND FUTURE DEVELOPMENT (CONTINUED)

Objective: To enhance systems for the allocation, monitoring and evaluation of grants to groups and projects in order to ensure best practice and maximum outcomes for young people.

Achievement: In 2020 staff underwent training in the SmartSimple process for grant allocation, evaluation and monitoring. SmartSimple is an online grant management system that allows the IYF to manage grants from one centralised place. The system includes: creation of different grant application forms, online centralised submission and online centralised reviewing & grading. Most importantly, it allows us to successfully track impact measurement under a number of topics.

SmartSimple is beneficial as it saves on a high volume of work hours, where before applications were manually printed, graded and entered into an excel spreadsheet. With SmartSimple we have been able to analyse data county by county and how best funding should be awarded. The SmartSimple system has also enabled the IYF to be completely transparent in their grant-giving process as it is all centralised in one place, rather than several documents and spreadsheets previously. By using SmartSimple the IYF is able to collate information of organisations and build a strong database of youth projects across Ireland.

Objective: To carry out all fundraising activities in full compliance with the Guidelines on Fundraising Principles and to implement The Governance Code for Community, Voluntary and Charitable Organisations.

Achievement: The board are committed to applying the highest standards of good governance in how they govern the charity. Over the course of 2020 there were a series of meetings of the Governance Committee led by board members Bryan Bourke and Michael McLoughlin. Special thanks and appreciation to William Fry who provided 2 members of the legal team who provided pro bono guidance to support the Board's work in completing the Governance Code journey as required by the Charities Regulator. At the December meeting of the Board the Trustees adopted the Charities Regulator Governance Code.

In addition, the charity follows the requirements of the Charities Institute Ireland's Statement of Guiding Principles for Fundraising through our events and campaigns. We are registered with, and submitted our annual accounts to the Charity Regulator and submitted our annual report in accordance with the SORP accountancy requirements. We published our annual accounts and listed our Board of Directors on our website. Finances are reviewed on a quarterly basis at board level and audited annually. In 2020 IYF received the Charities Institute Ireland Triple Lock standard of governance and transparency and ethical fundraising.

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT (CONTINUED)

ORGANISATIONAL EXCELLENCE

- To fully implement and adhere to The Charities Regulator Governance Code for Charities.
- To continue to carry out all fundraising activities in full compliance with the Guidelines on Fundraising issued by the Charities Regulator.
- Annual report is submitted in accordance with the SORP accountancy requirements and our organisational finances are reviewed on a quarterly basis at board level with annual external audit.
- To further develop and improve the HR function in IYF and to review this regularly.
- Ensure we are compliant with all GDPR compliance requirements.
- To ensure we have secure and well managed IT systems in conjunction with our IT service provider.

COMMUNICATIONS

- To develop a strong Communications Strategy for external communication in order to reach our key audiences.
- To develop a communication, plan internally within the IYF.

PRINCIPAL RISKS AND UNCERTAINTIES

Although 2020 was a successful year for the IYF, charitable organisations cannot take future donations for granted. While the Irish economy is continuing to show signs of improvement, globally things remain uncertain and Brexit may well have a negative effect on the domestic economy. As many of IYF's donor companies are multinational there is no guarantee that they will be in the position to donate in 2021, or indeed remain operating in Ireland.

ORGANISATIONAL RISK

The directors believe that committing to a high level of corporate governance is essential to achieving the optimal standard of operation of the foundation's activities. The Board of IYF has undertaken to adhere to the strictest governance codes available to the organisation. These include The Charities Regulator Governance Code and the Charities Institute Ireland Triple Lock status.

The Board has a competent executive team. There is clear division of responsibility at the foundation with the Board retaining control of major decisions, with the CEO responsible for devising strategy and policy within the authority delegated to her by the Board. The CEO of the IYF Lucy Masterson commenced her role in December 2018.

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT (CONTINUED)

The Board is responsible for providing leadership, setting strategy and ensuring control. The Foundation has a clear and detailed process for reporting management information to the Board. The Board is provided with regular information, which includes key performance and risk indicators for all aspects of the organisation. The Board meets regularly as required and met six times during 2020.

The directors recognise their overall responsibility for Irish Youth Foundation's systems of internal controls and for reviewing their effectiveness. They have delegated responsibility for the implementation of this system to the executive team. This system includes financial controls, which enable the Board to meet its responsibilities for the integrity and accuracy of the foundation's accounting records.

IMPACT OF COVID 19 AND GOING CONCERN

Before the sudden onslaught of COVID-19, Ireland's most marginalised children and young people were already struggling to remain in school, keep a positive outlook on life and have realistic hopes and aspirations of a future for themselves. This is where the youth sector was playing a critical role, providing tailored resources, facilities and resources to ensure these children got that extra lift they needed to stay engaged, to keep safe, to build skills and confidence and to shape their own positive lives. The Covid-19 lockdown tore down those safeguards, closed up the centres and facilities that had become a normal part of their lives, and most crucially cut off those essential one to one mentoring and trust based relationships that are so critical. In the words of one youth worker, "years of transformative work by youth projects with vulnerable children is being wiped out". While smart subsidies were put in place to keep employers connected to employees, no such support was there to keep vulnerable young people connected to their lifelines.

Conversely, the introduction of social distancing and the restrictions on social gatherings had an immediate effect on the work of the Irish Youth Foundation. The IYF receives no Government funding and relies entirely on the generosity of the corporate and philanthropic sector who share our vision for a fairer more inclusive society for all our children and young people. One channel of our fundraised income is raised at our annual flagship Fundraising Events, the proceeds of which enable us to support vulnerable children and young people around the country and guarantee the organisations continuity. It is a reasonable assumption to estimate a figure €200k as an initial figure for income-loss anticipated from fundraised/earned income that would have been otherwise been raised at the annual Bloomsday Messenger Bike Rally, The Paris to Nice Cycle, and the annual Sports Lunch, all of which were been cancelled in keeping with Government health and public safety advice and guidelines in 2020.

We have no experience of a similar crisis therefore there is no way of predicting the full effect that COVID 19 will have on our organisation in general, and the youth services who rely on our grants to fund the vital work they do in supporting Irelands most vulnerable young people. However, we do know that as we emerge from the Lockdown, the demand for the services we fund will be greater than ever before.

We have considered the risks that COVID-19 poses to the organisation and the actions we are taking to mitigate the impact.

IMPACT OF COVID 19 AND GOING CONCERN (CONTINUED)

Fundraising:

Prior to the Covid 19 lockdown the IYF had developed a new and ambitious 5-year strategic plan and supporting fundraising strategy. One core element of the fundraising strategy was to reduce reliance on face to face fundraising events.

We chose to cancel our 3 main events for 2020, The Bloomsday Bike Messenger Rally, the Paris to Nice cycle, and, The Sports Awards. We mitigated the loss of income by prioritising additional new fundraising channels designed to counteract our reliance on these events.

- **The Generation Pandemic Recovery Fund**, which was conceived and designed as a direct response to the fallout on vulnerable children as a result of the Covid-19 Lockdown. This is the most ambitious fundraising campaign in the organisations history. In 2020 the Generation Pandemic Recovery Fund had received and committed €500k to youth projects in Ireland. In Quarter 4 it attracted additional financial support from individual and corporate donors through the World Children's Day campaign.
- **World Children's Day, November 21st 2020.** During the Covid-19 lockdown, all youth projects experienced a huge increase in demand for services. We were inundated with asks for funding support so that they could meet the basic needs of vulnerable children while continuing their work as the world around the young people they supported fell apart. Conversely, their fundraising channels either from Government sources or community fundraising dried up. Overwhelmed with such a volume of asks for support through the Generation Pandemic Fund we responded by launching an ambitious and novel fundraising campaign using World Children's Day as a platform to launch a renewed appeal for support of the Generation Pandemic Fund. The theme of the campaign was simple. We asked people to post a selfie of themselves as a child on social media channels on World Children's Day and make a donation to the IYF.
The campaign line "C'mon Ireland, Let's take action for Generation Pandemic" captured the imagination of a large cast of Irelands sporting and cultural hero's. Johnny Sexton, Kellie Harrington, Pdraig Harrington, Shane Lowry, Tadgh Furlong, Doireann Garrihy, Roddy Doyle, to name but a few took part. There was a brilliant response to the campaign. It attracted coverage on television, traffic to the website went up by 10,000% and most importantly it raised €100,000 for the Generation Pandemic Fund.
- **Children's Hour**, this is an annual campaign where a small group of loyal corporate supporters fundraise for the IYF by holding coffee mornings or Christmas donation appeals. We are delighted to report that while offices were entirely closed that the companies involved made very generous gestures of goodwill and each one made donations again in 2020.
- **Corporate Partnerships:** As outlined in more detail earlier in this report we are extremely grateful for the support of our existing and new corporate partners and their efforts to fundraise on our behalf; Vhi, William Fry, Elvery's, Linesight, Applegreen, Glandore, JP McManus Fund, Smurfit Kappa, Coopman Search and Selection, Iris O'Brien Foundation. As a recognition and token of gratitude for their support we designed a bespoke thank you brochure which accompanied a Christmas card designed by children. This was sent to all the main supporters of the Generation Pandemic campaign along with other supporters of our work throughout 2020.

IMPACT OF COVID 19 AND GOING CONCERN (CONTINUED)

Safety:

Our priority is the safety and wellbeing of our staff and members. As a result, IYF offices were closed from 16 March 2020 and staff were advised to work from home. Staff members can work remotely through the adoption of new technologies which have been implemented over the past year.

Governance:

From a governance perspective, board meetings have continued as normal, with a number of additional board fundraising and finance and risk meetings held to examine the potential impact on IYF's operation over the next 12 months.

Finance, 2021 Budget, Staffing and Salaries:

We are closely monitoring the potential impact of COVID-19 on our 2020 financial results and cashflows and have prepared a detailed assessment and revised projections for the business for the next 12 months. While our unrestricted cash reserves will be impacted by the cancellation of the Flagship events we are implementing a number of measures to reduce our costs to offset the lower income.

- The 2021 budget was reassessed to take account of the impact of COVID-19 on the Foundation and regular cash flow analyses are performed.
- Plans to recruit a 4th member of staff was postponed making savings against the loss of unrestricted income from fundraising events.
- Reduction in income levels in Q2 2020, due to COVID-19 restrictions, fell within eligibility levels for the Government's Temporary Wage Subsidy Scheme. The scheme has supported the wages of two staff members since April 2020. The salary level of the Chief Executive did not fall within allowed thresholds for the scheme. The Chief Executive voluntarily opted to take an 18% decrease in salary between April-July 2020.
- Thankfully the IYF incurs no rent overheads and associated costs due to the pro bono office premises supplied by one of our corporate supporters Glandore.

As a result of these measures, the Board is able to ensure that the IYF will have adequate cash to fund its operations and meet financial obligations as they fall due for the period of at least 12 months from signing the financial statements.

In summary, there will be many challenges to our working practices as the full impact of COVID-19 becomes apparent and we are putting plans in place to protect our staff and the youth sector projects that we exist to provide funding and support, and to ensure that we comply with various Government restrictions and guidelines. We are confident that as an organisation we have the ability to manage through this challenging time.

After making enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Therefore, these financial statements have been prepared on a going concern basis.

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT (CONTINUED)

REMUNERATION POLICY

We aim to ensure that employee salaries reflect the level of responsibility and leadership expected of them, and that they are in line with the salaries paid by other voluntary organisations. We benchmark executive salaries against voluntary sector organisations of similar sizes, complexity and profile, using established salary surveys. The Foundation also keep an overview of local markets to ensure that pay differentials do not affect the ability to attract the right calibre of person. The Foundation is run by a small lean team of three full time staff.

The salary of the Chief Executive is set by the directors appointed to the Audit Committee. By paying salaries that match similar roles at comparable organisations, we can attract and keep the highly skilled and committed staff the Irish Youth Foundation needs. This means the Foundation can keep meeting the ambitious plans, remain effective and efficient, increase the funding and with it grant support and services to young people.

STAFF AND VOLUNTEERS

The Board of IYF would like to express their appreciation for the dedication and commitment of its staff and for the valuable contribution, they make to the work of the Foundation.

IYF is an equal opportunities employer. The aim of its equal opportunities policy is to ensure that all people receive equality of opportunity within IYF regardless of gender, race, religion, disability, nationality, marital status or sexual orientation.

The directors would like to recognise the dedicated work of the various fundraising committees and in particular, the contribution of Aisling McCarthy. Also, the Board would like to thank the following individuals for being so giving of their time as judges in the evaluation panel for the Generation Pandemic Recovery Fund; Suzi Murray, Anna Gunning, Bryan Bourke, Lorcan Tiernan, Aedin O'Leary, Michael McLoughlin, Michael Kelly.

Furthermore, the Board would like to acknowledge and thank the following companies for their generous pro-bono support: O'Donovan Stewart, William Fry Solicitors, Amarach Research.

RESERVES POLICY

IYF's policy is to maintain unrestricted reserves at a level, which ensures the stability and long-term viability of the organisation, to ensure protection from fluctuations in income, and to allow immediate and efficient response to urgent needs, which may arise subject to the foundation's objectives. In line with this policy IYF's total unrestricted funds at the end of 2020 are €160k (2019: €160k).

Restricted funds represent grant income and donations received which are subject to conditions imposed by the donors or grant making institutions. They are not available for the general purposes of the foundation. At the end of 2020 IYF held €201k (2019:426k) in restricted reserves.

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT (CONTINUED)

STAFF & VOLUNTEERS

IYF hold with great importance its responsibilities towards the supporters, staff and the public. We recognise the importance of transparency and accountability in all aspects of the work and IYF is committed to open information and this includes transparency about our executive team's salaries and how they are set.

Each staff member at the Irish Youth Foundation is driven by the IYF mission statement. This means that we are committed to maximizing our impact across all elements of our work.

Having a fair and competitive reward offering is one of the many ways in which the Irish Youth Foundation secure the very best people to deliver the strategy. Aiming to maximise the impact through fair salaries for talented people is what defines our approach to pay.

Sub committees established for good governance (not confined to Board members) are:

- Governance and Risk Committee
- Finance and Audit Committee
- Grants Committee

GOVERNANCE AND RISK COMMITTEE

The function of the Governance and Risk Committee is to review and make recommendations to the Board on matters relating to the Board's governance structure and processes so that the Board models the 'letter and spirit' of best governance practices. It also monitors and reports governance related developments and issues in wider charity sector and makes recommendations where necessary.

FINANCE AND AUDIT COMMITTEE

The function of the Finance and Audit Committee is to review internal financial controls, treasury and risk management processes. It liaises with external auditors and reports directly to the Board. It also monitors and reviews the financial performance of the foundation. It provides an independent review of the annual budgets, management and financial accounts and makes recommendations to the Board where relevant.

GRANTS COMMITTEE

The function of the Grants Committee is to review the proposed schedule of grants for the year and make recommendations to the Board. It liaises with IYF Head of Grants and Programmes and reports directly to the Board.

GOING CONCERN

The directors have reasonable expectations that the foundation have adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adapt the going concern basis in preparing the financial statements.

DIRECTORS AND SECRETARY

The directors, who served at any time during the financial year except as noted, were as follows:

Directors:

Mr. John Cunningham (resigned 15/02/2021)
Ms. Anna Gunning (resigned 14/12/2020)
Mr. Alvin Price (resigned 24/02/2020)
Mr. Cathal Quigley
Mr. Eoin Reddan (resigned 21/06/2021)
Mr. Michael McLoughlin
Mr. Lorcan Tiernan
Mr. Niall Woods
Mr. Bryan Bourke (appointed 24/02/2020)
Ms. Aedín O'Leary (appointed 20/04/2020)

IRISH YOUTH FOUNDATION

DIRECTORS' REPORT (CONTINUED)

Company Secretary:

Claire O'Connor

DIRECTORS' AND SECRETARY'S INTERESTS IN SHARES

In accordance with Section 329 of the Companies Act 2014 the directors and secretary of the Foundation who held office at 31 December 2020 and in prior years, had no interests in the shares of the Foundation.

DIRECTORS' INTERESTS IN CONTRACTS

There were no contracts or arrangements of any significance in relation to the foundation's business in which the Directors or Secretary of the foundation had any interest.

POLITICAL CONTRIBUTIONS

There were no political donations made during the financial year (2019: €Nil).

DIVIDENDS AND DISTRIBUTION

The foundation is precluded by its Constitution from paying dividends either as part of normal operations or on a distribution of its assets in the event of a winding-up.

POST STATEMENT OF FINANCIAL POSITION EVENTS

There have been no significant events affecting the foundation since the end of the financial year.

ACCOUNTING RECORDS

The measures that the directors have taken to secure compliance with the requirements of sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The foundation's accounting records are maintained at the foundation's registered office 24 Fitzwilliam Place, Dublin 2.

DISCLOSURE OF INFORMATION TO AUDITORS

In the case of each of the persons who are, directors at the time the Directors' Report and financial statements are approved:

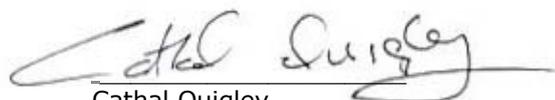

- a) so far as the directors is aware, there is no relevant audit information of which the foundation's statutory auditors are unaware; and
- b) each director has taken all steps that ought to have been taken by the director in order to make himself/herself aware of any relevant audit information and to establish that the foundation's auditors are aware of that information.

AUDITORS

The auditors, Grant Thornton, Chartered Accountants, Statutory Audit Firm continue in office in accordance with the provisions of 383(2) of the Companies Act 2014.

IRISH YOUTH FOUNDATION

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Director's Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare the financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with Irish Generally Accepted Accounting Practice in Ireland, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and in compliance with the Statement of Recommended Practice 'Accounting and Reporting for Charities, effective 1 January 2019.

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit for the financial year and otherwise comply with Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements and other information included in the Directors' Reports may differ from legislation in other jurisdictions.

This report was approved by the board and signed on its behalf

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IRISH YOUTH FOUNDATION

Opinion

We have audited the financial statements of Irish Youth Foundation ("the Company"), which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows for the financial year ended 31 December 2020, and the related notes.

The financial reporting framework that has been applied in the preparation of the financial statements is Irish law and accounting standards issued by the Financial Reporting Council including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (Generally Accepted Accounting Practice in Ireland).

In our opinion, Irish Youth Foundation's financial statements:

- give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland of the assets, liabilities and financial position of the company as at 31 December 2020 and of its financial performance and cash flows for the financial period then ended; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the 'responsibilities of the auditor for the audit of the financial statements' section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accountancy Supervisory Authority (IAASA), and the ethical pronouncements established by Chartered Accountants Ireland, applied as determined to be appropriate in the circumstances for the entity. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IRISH YOUTH FOUNDATION (CONTINUED)

Other information

Other information comprises information included in the Directors' report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies in the financial statements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by the Companies Act 2014

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the Directors' report is consistent with the financial statements. Based solely on the work undertaken in the course of our audit, in our opinion, the Directors' report has been prepared in accordance with the requirements of the Companies Act 2014.

Matters on which we are required to report by exception

Based on our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Annual Report.

Under the Companies Act 2014 we are required to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by Section 305 to 312 of those Acts have not been made. We have no exceptions to report arising from this responsibility.

Responsibilities of management and those charged with governance for the financial statements

As explained more fully in the Directors' responsibilities statement, management is responsible for the preparation of the financial statements which give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland, including FRS 102, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the company's financial reporting process.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IRISH YOUTH FOUNDATION (CONTINUED)

Responsibilities of the auditor for the audit of the financial statements

The auditor's objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes their opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (Ireland), the auditor will exercise professional judgement and maintain professional scepticism throughout the audit. The auditor will also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for their opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If they conclude that a material uncertainty exists, they are required to draw attention in the Auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify their opinion. Their conclusions are based on the audit evidence obtained up to the date of the Auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves a true and fair view.

The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that may be identified during the audit.

IRISH YOUTH FOUNDATION

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IRISH YOUTH FOUNDATION (CONTINUED)

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

General information and basis of accounting

The significant accounting policies adopted by the foundation are as below. These policies have been consistently applied to all financial years presented unless otherwise stated. The foundation has adopted FRS102 in these financial statements.

The objectives of the foundation are charitable in nature and it has been granted charitable tax exemption by the Revenue Commissioners (Charity number CHY5957) and is registered with the Charities Regulatory Authority (CRA number 20009878). The foundation's operations and its principal activities are set out in the Directors' Report on pages 5 to 20. The address of the registered office is The Mews, 10 Pembroke Place, Dublin 2.

Format of the financial statements

The Irish Youth Foundation is constituted under Irish Company law as a company limited by guarantee and is a registered charity.

The foundation is incorporated in the Republic of Ireland and was formed to provide grants for the following activities:

- (a) The provision and organisation of centres for educational training and research into youth and development.
- (b) Projects and programmes proposed by the National Federation of Youth Clubs and other groups and/or youth organisations.

Accordingly, the foundation adopted and reported its performance in accordance with the format provided for in the Charities SORP (FRS102) "Accounting and Reporting by Charities" as published by the Charity Commission for England and Wales and Office of the Scottish Charity Regulator. In particular, the foundation reports its performance for the financial year in the format of the SORP's Statement of Financial Activities (SOFA).

The Companies Act 2014 became effective in law on 1 June 2015 and from that date applies the format and content of financial statements requirements appropriate for a foundation trading for the profit of its members to a foundation that is a not-for-profit organisation such as Irish Youth Foundation. This would require the foundation for example, to present a Profit and Loss Account and report on items such as Turnover, Cost of Sales, Profit or Loss on ordinary activities before taxation, along with related notes. In the view of the directors this is neither an appropriate presentation nor terminology for a not-for-profit organisation.

In order to provide information relevant to understanding the stewardship of the directors and the performance and financial position of the Foundation, the foundation has prepared its financial statements in accordance with the formats provided for in the SORP consistent with the prior year.

1. ACCOUNTING POLICIES (CONTINUED)

Basis of Preparation

The financial statements have been prepared on a going concern basis, under the historical cost convention as modified by the revaluation of investments.

They have been prepared in accordance with the accounting standards issued by the Financial Reporting Council, including FRS102 "The Financial Reporting Standard Applicable in the UK and Republic of Ireland" ("FRS102"), and the Statement of Recommended Practice – Accounting and Reporting by Charities, effective 1 January 2019 ("SORP"). Financial reporting in line with the SORP is considered best practice for charities in Ireland. As noted above, the directors consider the adoption of the SORP requirements is the most appropriate accounting practice and presentation to properly reflect and disclose the activities of the organisation.

IYF meets the definition of a public benefit entity under FRS102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The functional and presentational currency of the foundation is considered to be Euro because that is the currency of the primary economic environment in which the foundation operates.

Going concern

The foundation's business activities, together with the factors likely to affect its future development, performance and position are set out in the directors' report. The financial statements have been prepared on the going concern basis.

Preparation of financial statements

The Foundation's business together with the factors likely to affect its future development performance and position are set out in the directors' report.

Monetary value of voluntary service

Costs and values are agreed with suppliers in order to include an accurate value of services in the financial statements.

Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of foundation. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the Foundation's work or for specific projects being undertaken by the Foundation.

Recognition of income

- i. Public donations, corporate donations and similar income arising from fundraising events are accounted for when received; except that funds received in the financial year conditional on expenditure not yet incurred is deferred.
- ii. Grant income from operating activities, in furtherance of the foundation's objects is accounted for on a receivable basis.
- iii. Interest income is recognised in the financial year in which it is earned.
- iv. Donations in kind are recognised in the Statement of Financial Activities as voluntary services. Gifts in kind are valued with reasonable confidence and are included in the financial statements.

1. ACCOUNTING POLICIES (CONTINUED)

Recognition of expenditure

- i. Expenditure is analysed between raising funds, charitable activities and support costs.
- ii. The costs of each activity have been separately accumulated and disclosed. Expenditure is recognised in the financial year to which it relates. Expenditure incurred but unpaid at the statement of financial position date is included in accruals and other creditors. Charitable expenditure comprises all expenditure incurred by the foundation in meeting its charitable objectives as opposed to the costs of raising funds to finance these activities, or the support costs associated with governance.
- iii. Certain wages are apportioned in accordance with time spent on each activity.

Raising Funds Policy

IYF organises fundraising events and activities throughout the year. In addition, IYF solicits the financial support of individual donors and companies to fund specific projects. The Foundation is committed to applying the highest standards of good governance in our work. We are implementing the Governance Code for Community, Voluntary & Charitable Organisations. We are compliant with the requirements of the ICTR's Statement of Guiding Principles for Fundraising.

Charitable Activity Policy

In IYF Grants Committee reviews funding applications on an annual basis from youth organisations throughout Ireland. In addition, IYF consults with the major youth organisations (i.e. Foroige, Youth Work Ireland and NYCI) to identify needs within the sector. A grant schedule is discussed and agreed at board level and grants are issued throughout the year.

Allocation of support costs

Support cost are those functions that assist the work of the foundation but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the Foundations programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities.

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation.

Depreciation on tangible fixed assets is calculated to write off their costs over their useful lives by equal annual instalments. The estimated useful lives of tangible fixed assets by reference to which depreciation has been calculated are as follows:

Office equipment	-	10% - 20%
Other assets (including bicycles)	-	20%

Residual value represents the estimated amount which would currently be obtained from disposal of an asset, after deducting estimated costs of disposal, if the asset was already of the age and in the condition expected at the end of its useful life.

Investments

Investments are shown at fair value. Income from other financial fixed asset investments, together with any related withholding tax, is recognised in the Statement of Financial Activities in the financial year in which it is receivable.

1. ACCOUNTING POLICIES (CONTINUED)

Debtors

Short term debtors are measured at transaction price including transaction costs, less any impairment.

Creditors

Short term creditors are measured at transaction price including transaction costs, less any impairment.

Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

In the statement of cash flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the Foundation's cash management.

Financial instruments

Financial assets and financial liabilities are recognised when the foundation becomes a party to the contractual provisions on the instrument.

Funds of the foundation

IYF's policy is to maintain unrestricted reserves at a level which ensures the stability and long-term viability of the organisation, to ensure protection from fluctuations in income, and to allow immediate and efficient response to urgent needs which may arise subject to the foundation's objectives.

Financial instruments

Financial liabilities are classified according to the substance of the contractual arrangements entered into.

(i) Financial assets and liabilities

All financial assets and liabilities are initially measured at transaction price (including transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a finance transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. These financial assets are subsequently measured at fair value and the changes in fair value are recognised in the Statement of Financial Activities, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are subsequently measured at cost less impairment.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the foundation transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the foundation, despite having retained some significant risks and rewards of ownership, has transferred control of the asset to another party and the other party has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise that ability unilaterally and without needing to impose additional restrictions on the transfer.

1. ACCOUNTING POLICIES (CONTINUED)

Financial instruments (continued)

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Balances are classified as payable or receivable within one year if payment or receipt is due within one year or less. If not, they are presented as falling due after more than one year. Balances that are classified as payable or receivable within one year on initial recognition are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

Taxation

Irish Youth Foundation has received a certificate of recognition of charitable status. Exemption from taxation has been given by the Revenue Commissioners under Section 207 of Taxes Consolidated Act 1997.

Pension Schemes

The foundation operates an employer sponsored, defined contribution pension scheme. The assets of the schemes are held separately from those of the foundation, in an externally independent managed fund. The foundation's annual contributions are charged to the Statement of Financial Activities in the period to which they relate.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the foundation's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the accounting policies and notes to the financial statements.

The directors do not consider there are any critical judgements requiring disclosure.

Critical judgements in applying the Foundation's accounting policies

The following are critical judgements, apart from those involving estimations (which are dealt with separately below), that the directors have made in the process of applying the foundation's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Information about critical judgement in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the accounting policies and notes to the financial statements.

Critical accounting estimates and assumptions

The directors make estimates and assumptions concerning the future in the process of preparing the foundation's financial statements. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are addressed below.

Useful economic lives of tangible fixed assets

The annual depreciation on tangible fixed assets is sensitive to changes in the estimated useful lives and residual values of the assets. The useful economic lives and residual values are reviewed annually. They are amended when necessary to reflect current estimates, based on economic utilisation, technological advancements and the physical condition of the assets. The amortisation rate for capital grants is also reviewed in conjunction with the asset lives review and these are adjusted if appropriate.

Recoverability of debtors

The directors make an assessment at the end of each financial year of whether there is objective evidence that a debtor is recoverable. When assessing recoverability of debtors and other amounts receivable, the directors consider factors including the age profile of outstanding amounts receivable, recent correspondence and historical experience in cash collection from debtors.

IRISH YOUTH FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

5. NET EXPENDITURE FOR THE FINANCIAL YEAR

	2020 €	2019 €
Net expenditure is stated after charging/(crediting):		
Audit	7,757	6,765
Depreciation	496	6,146
Directors' remuneration	-	-
Investment income	(41)	(5)
	<u> </u>	<u> </u>

6. STAFF NUMBERS AND COSTS

The average number of full time staff equivalent staff during the financial year was as follows:

	2020	2019
Management and staff (whole time equivalents)	3	3
	<u> </u>	<u> </u>

Their aggregate remuneration comprised:

	2020 €	2019 €
Wage and salaries	178,218	193,813
Redundancy costs	16,800	-
Social security costs	16,292	20,710
Other pension costs	5,105	3,914
	<u>216,415</u>	<u>218,437</u>
Analysed as follows:		
Expensed in the financial year	<u>216,415</u>	<u>218,437</u>

Capitalised employee costs during the year amounted to €Nil (2019: €Nil)

The number of employees whose emoluments excluding pension contributions but including benefits in kind, were in excess of €70,000 was:

	2020 €	2019 €
€90,000 to €99,999	1	1
	<u> </u>	<u> </u>

The Irish Youth Foundation operates a Defined Contribution scheme. Amounts refundable at year end in respect of employer pension contributions were €1,425 (2019: €2,342) and were paid within thirty days of the year end.

Key management compensation

The total remuneration for key management personnel for the financial year amounted to €133,482 (2019: €153,228). The directors did not receive remuneration for the current financial year or previous financial year.

IRISH YOUTH FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

7. TAXATION

As a result of the foundation's charitable status, no charge to corporation tax arises by virtue of Section 76 and Section 333 of the Taxes Consolidation Act, 1997.

8. TANGIBLE ASSETS

	Office Equipment €	Other assets €	Total €
Cost:

IRISH YOUTH FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020

12. RESTRICTED FUNDS (CONTINUED)

YouthBank

A unique youth-led grant making programme which IYF currently operates in 25 sites throughout the Island of Ireland.

City Connects Project

A pilot project in partnership with Boston College to improve education outcomes in Dublin's North East Inner City

VHI Grants

A Fund dedicated to supporting youth mental health in six counties across Ireland

Generation Pandemic

A Fund supported by IYF donors to reverse the negative effects caused by Covid-19 for young people living in marginalized communities.

Temporary Wage Subsidy Scheme

The Temporary COVID-19 Wage Subsidy Scheme (TWSS) was announced on 24th March 2020. It allowed employers to continue to pay their employees during COVID-19. It aimed to keep employees registered with their employers so that they could get back to work quickly after the pandemic.

Linesight Mathswizz

A Maths programme designed to improve mathematics outcomes for primary school children.
